Kamloops, BC - [July 10, 2023] - Children's Circle Childcare Centre is pleased to announce that it has been selected as a recipient of the Federal Community Recovery Services Grant in the amount of \$39,289.

This grant will support the implementation of a transformative project titled "Modernizing information, communication, and accounting systems for future resiliency." The project aims to address vulnerabilities within the childcare center by integrating an online childcare management platform, upgrading the website platform, designing intranet sites for internal collaboration, transitioning financial information to an online platform, and conducting a comprehensive financial system upgrade.

"We are incredibly grateful to receive the Federal Community Recovery Services Grant, which will play a pivotal role in modernizing our information, communication, and accounting systems," said Karyn Sutherland, Executive Director at Children's Circle Childcare Centre.

"Through this project, we will bolster our operational efficiency, enhance parent engagement, and solidify our commitment to providing exceptional childcare services to the Kamloops community. We are excited to leverage these advancements to ensure our continued resilience and success."
